

Biography Report/Poster

Dear Parents,

Our class is in the process of accomplishing a biography project. Your student, _____, has chosen to read about _____. As part of this project, students will create a poster highlighting their subject's life. The criteria for this poster are as follows:

- Write a paragraph for each of the following topics:
 - your subject's early life (important events)
 - your subject's accomplishments/honors
 - your subject's qualities/character traits that helped him/her succeed
- Draw, in color and to the best of your ability, a portrait of your subject.
- Title and decorate your poster in a clean, readable fashion.

I will provide the necessary materials as well as some time in class to complete the project. However, your child will need to do some of the work at home. Please give them your support and guidance. The due date will be **May 20th**. Feel free to call or e-mail with any questions.

Ms. York

I understand my child's biography assignment:

Student: _____

Parent Signature: _____
